

Part-time Grants Assistant

FamilyAid is Greater Boston's leading provider of solutions to family homelessness. Its mission is to empower parents and caregivers facing homelessness to secure and sustain housing and build strong foundations for their children's futures.

The hundred-plus year-old agency has launched bold new strategies to reduce two-generation homelessness by dramatically increasing its prevention, housing, and supportive services for children and parents, putting the organization on a fast-growth trajectory.

To support these strategies, the agency seeks a dynamic, driven The Part-time Grants Assistant to lead the agency's work with homeless families with children, through administrative support to the Grants Manager in the identification, cultivation, solicitation, and stewardship of institutional supporters, including limited proposal and report writing.

The successful candidate will have a bachelor's degree and experience in fundraising. The candidate should have familiarity with the tools and techniques of prospect research; demonstrated knowledge of Microsoft Office, Excel, Power Point, and donor database software; strong proofreading and editing skills; experience creating digital presentations; the ability to prioritize work, manage multiple projects, collaborate with colleagues, and be flexible; and must have a passion for the children and parents we serve and the mission of ending family homelessness.

FamilyAid's supportive, collaborative, and diverse workplace is an ideal work environment for experienced, result-oriented professionals who are driven to help children and families thrive.

The agency supports professional growth, and offers competitive salaries, health, and dental plans, an employer-contributed 403b retirement plan, a generous paid time off package, and the flexibility to work a hybrid or remote work schedule.

To apply: Please send your cover letter and resume to hr@familyaidboston.org

FamilyAid's vaccine policy requires all new employees be fully vaccinated against Covid-19, including booster doses, at the time of hire.

Applications will be reviewed on a rolling basis.

FamilyAid is committed to a policy of equal employment opportunity without regard to race, color, national origin, religion, disability, gender, gender identity, sexual orientation, or age.
